

## Extended night works: Structural steel with exclusion zones

**Night works will continue to 30 September 2022, five nights a week. For safety reasons large exclusion zones are required for these works when minimal workers are on-site.**

### When:

Night works are scheduled from **6.30pm to 5.30am Monday to Friday nights to 30 September 2022**. These works are in addition to the standard site hours from 6.30am to 6.30pm Monday to Saturday. These works have approved permits in place, however are site and weather dependent.

### Where:

Night works will be within the Integrated Resort Development site. William Street and Queen's Wharf Road will be used as loading zones (see map over page).

### Queen's Wharf Brisbane

Queen's Wharf Brisbane is a transformational city changing development for Brisbane. It is bringing an underutilised area of the CBD back to life with new purpose and exciting energy.

When complete there will be a new pedestrian bridge from the integrated resort development, direct to the South Bank Cultural Forecourt.

Queen's Wharf Brisbane will include more than 50 restaurants, bars, and cafes; a signature Sky Deck approximately 100 metres above William St; luxury five- and six-star hotels; the equivalent of 12 football fields of public space, a new casino to replace the existing casino; multiple retail zones and approximately 2,000 residential apartments.

The integrated resort will commence a staged opening of the gaming, retail, hotels, heritage buildings and public space in the first half of 2023.
