### Queen's Wharf Brisbane

Queen's Wharf Brisbane is a transformational city changing development for Brisbane. It is bringing an underutilised area of the CBD back to life with new purpose and exciting energy.

When complete there will be a new pedestrian bridge from the integrated resort development, direct to the South Bank Cultural Forecourt.

Queen's Wharf Brisbane will include more than 50 restaurants, bar, and cafes; a signature Sky Deck approximately 100 metres above William St; luxury five- and six-star hotels; the equivalent of 12 football fields of public space, a new casino to replace the existing casino; multiple retail zones and up to 1,500 residential apartments.

The integrated resort will commence a staged opening from the second half of 2023..
