

Temporary closure of the Clem Jones Promenade for bridge works

Temporary detour of the Clem Jones Promenade for overhead works on the Neville Bonner Bridge

When:

From Monday 10 October to Friday 14 October 2022 bridge contractor Fitzgerald Constructions will be carrying out overhead works above the Clem Jones Promenade at South Bank.

A temporary detour of the Clem Jones Promenade will be applied between 6am and 4pm each day. All work is subject to weather and site conditions.

Where:

For safety reasons the Clem Jones Promenade in front of the site area will be closed while the overhead works are occurring. See attached map for details of the closed area and temporary detour.

What to expect:

The Clem Jones Promenade will be closed below the bridge. Working at heights access equipment will be used from the bridge and from Clem Jones Promenade, to enable safe access for overhead works.

Queen's Wharf Brisbane

Queen's Wharf Brisbane is a transformational city changing development for Brisbane. It is bringing an underutilised area of the CBD back to life with new purpose and exciting energy.

When complete there will be a new pedestrian bridge from the integrated resort development, direct to the South Bank Cultural Forecourt.

Queen's Wharf Brisbane will include more than 50 restaurants, bars, and cafes; a signature Sky Deck approximately 100 metres above William St; luxury five and six-star hotels; the equivalent of 12 football fields of public space, a new casino to replace the existing casino; multiple retail zones and approximately 2,000 residential apartments.

The integrated resort will commence a staged opening in the second half of 2023.

Pedestrian and cyclist access:

A Clem Jones Promenade temporary detour will be in place between the Clem Jones Russell Street Ramp and Riverside Green. Traffic controllers will be on-site to guide pedestrians and cyclists along the temporary detour. Cyclists will need to dismount and follow the detour route.
