

Riverside Expressway temporary lane closures for overhead bridge works

Out-of-hours work is required to carry out the installation of safety screens to bridge section above Riverside Expressway

When:

Night works: From Monday 9 January to Wednesday 25 January 2023, between 9pm and 5am, bridge contractor Fitzgerald Constructions will be working out of hours to install the safety screens to the Neville Bonner Bridge section that sits above the Riverside Expressway. Works will occur each Sunday to Thursday night with a reduction to single lane each way.

Sunday 15 and Monday 16 January, all northbound lanes will be temporarily diverted along George St between 11pm and 5am. See map below.

Traffic Controllers and Queensland Police will be in attendance during these periods. All work is subject to weather and site conditions.

Where:

The Riverside Expressway in each direction between Elizabeth St and Margaret St off-ramps. See map below.

Queen's Wharf Brisbane

Queen's Wharf Brisbane is a transformational city changing development for Brisbane. It is bringing an underutilised area of the CBD back to life with new purpose and exciting energy.

When complete there will be a new pedestrian bridge from the integrated resort development, direct to the South Bank Cultural Forecourt.

Queen's Wharf Brisbane will include more than 50 restaurants, bars, and cafes; a signature Sky Deck approximately 100 metres above William St; luxury five and six-star hotels; the equivalent of 12 football fields of public space, a new casino to replace the existing casino; multiple retail zones and approximately 2,000 residential apartments.

The integrated resort will commence a staged opening in the first half of 2023.

What to expect:

Access Equipment and small cranes working to install external finishes to the bridge section that spans over the Riverside Expressway. Traffic Controllers and Police will be in attendance during these periods. The Captain Cook bridge will remain open.

Pedestrian and Cyclist Access:

The Bicentennial bikeway will remain open although for safety reasons will require intermittent hold and release of users during stages of overhead lifts. Traffic controllers will be on-site during these periods.
